

40KHz Benchtop Ultrasonic Cleaner 60W 2L For Jewelry Diamond Gold Products

Our Product Introduction

for more products please visit us on skymenultrasonic.com

Basic Information

- Place of Origin: China
- Brand Name: SkyMen
- Certification: CE ROHS FCC SGS
- Model Number: 010S
- Minimum Order Quantity: 1 unit
- Price: Negotiation
- Packaging Details: 1 unit per color box, 8 units per big carton
- Delivery Time: In Stock
- Payment Terms: T/T
- Supply Ability: 8000 pcs per month

Product Specification

- Model: 010S
- Capacity: 2L
- Tank Size: 150*135*100mm
- Unit Size: 180*165*205mm
- Paking Size: 260*240*265mm
- G.W: 2.8KG
- Highlight: **ultrasonic bath cleaner, table top ultrasonic cleaner**

Product Description

40KHz Ultrasonic Cleaner for Jewelry, diamond, gold, silver products 2L

What is ultrasonic cleaner ?

Specially designed transducers transform electric energy into mechanical vibrations. These are transmitted into the cleaning liquid, creating many tiny vacuum-filled bubbles which rapidly implode. This process, called cavitation, releases highly energetic jets of liquid which remove all kinds of contamination from metal, glass, and plastic surfaces. Every surface that comes in contact with the fluid is thoroughly cleaned.

010S product specification:

Internal tank dimension	150*135*100mm
Capacity	2000ml
Transducers	1pc
Ultrasonic Power	60W
Heating Power	100W
Frequency	40KHz

Images of this model:

Appearance details

packing

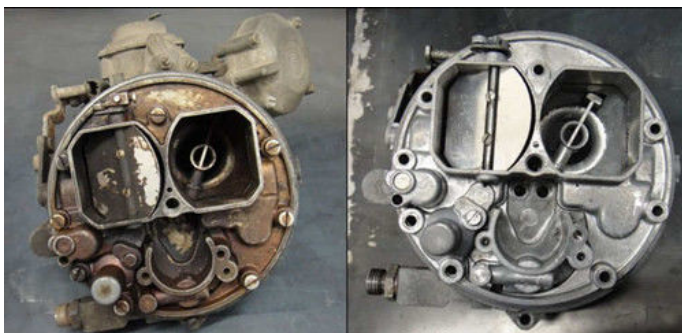

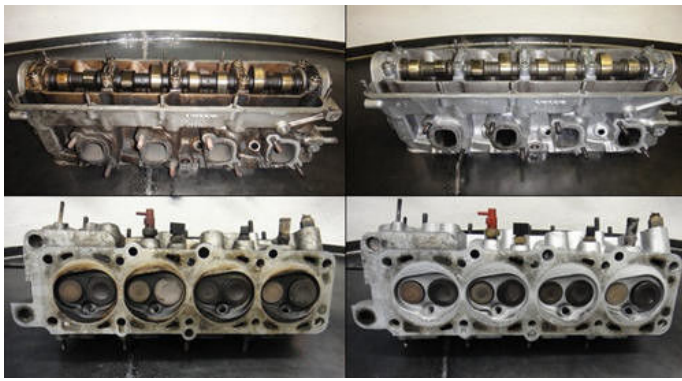

threeply breakingproof

Cleaning effect:

Dirty Valve

Dirty Pump

Clean Pump

Features:

A great cleaning solution for screws, filters.

The ultrasonic could come to hidden corner, zig zag passage, give a throughout cleaning

Do no harm to any parts. Saving labor and cost;

Varies application for all metal parts, Such as other printer head, disel injector, PCB board, Jewelelry ,watch ,razor ,glass options
Stainless steel tank has resistance to wear and long work life.

Powerful industrial transducer output ;

Can be used at home and factory.

Long life span

How to use?

1 Fill the tank with water

2 put the cleaining items into the tank

3 start the ultrasnics and set the temperature/cleaning time.

Package Includes:

1 x Digital Ultrasonic Cleaner

1 x Cleaning Basket

1 x Manual

Application :

Auto part and machinery parts,

Lab and medical instruments;

Die casting and injection module;

All metal / plastic parts are suitable for ultrasonic cleaner .

A machine, a compact unit,for varies cleaning items!
