Digital Household Ultrasonic Cleaner With Charming Look For Your Home Staff

:

Brushing it over and over again with special cleaning solution.
It takes time and can not clean some blind spot.`.

How to clean gold ring with utlrasonic cleaner:
As we know,gold ring will get dirty after wearing it all day.
Ultrasonic cleaner will help you to clean it easily without brushing.

1.If your gold ring is slightly dirty, just fill some tap water in this cleaner and put your gold ring on cleaning frame or on basket. Several minutes later, you would get a shining gold ring on your hand.

2.If your gold ring is heavily dirty, please add some gold cleaning solution and then follow the sam step as first point. And it will just take several minutes as well.

It will clean every direction of your gold ring even blind spot on your ring and it takes a few minutes.
